Some of our Customers' Reviews

I am Sarathkumar. We booked a flat (Flat No. 2018) in DS-MAX SAROVAR. I have seen DS-MAX's similar projects and I was very happy with the quality of the construction that's one of the reasons we have booked the apartment. The sales representatives present on site were very helpful and very patient, responding to all our queries. Whenever I interacted with DS-MAX people in the head office, they were very cooperative in all the aspects. I will surely refer my friends in future.

I am Ramakrishna. I was attracted by the design and architecture of DS-MAX. Their executives in the office explained the very well about their projects. I know very well about Vasatu from the past 15 years. I have been a Vasatu consultant. I have suggested Vasatu for 2000-3000 homes in now, so when I checked the flats there was one place in particular I got satisfied with DS-MAX supported us a lot in having our own house. I will certainly refer my friends in future.

I am Ramesh. We were looking for a good apartment which offers very good service. As we are not from Karnataka we had lots of concern regarding new apartments. But, the creative executives at DS-MAX, SANGAM (Ayappa Nagar) have given proper explanation regarding everything. In the same day itself, we had the initial amount. We are happy with the project. Last Sunday we visited the site, the progress is also good. Almost all block work has been completed. I am really happy with the services I have received so far. I have already referred two people, they are also working with me. They have also booked their flats in DS-MAX project near Attibelle. I referred my colleagues because I had their services and they very they handle their customers.
